#### ***Reading the Text:***

1. What was the big idea of the previous text, Ephesians 5:3-14?
2. In v. 15, Paul says to be careful how we “walk”. What does he mean? What are some of the other ways he has told us to walk and not walk?
3. How do we understand the will of the Lord? What are some of the ways that we know God’s will? How can we be sure it’s God’s will? What are the limits of our knowledge of God’s will?
4. Compare and contrast being filled with wine and being filled with the Spirit. What are the similarities and differences between them?
5. How does speaking to one another with spiritual truths flow from being filled with the Spirit? How does it contribute to it? What is the significance of our heart?
6. How would you state the big idea of the Ephesians 5:15-21 in your own words?

#### ***Living It Out:***

1. What does it look like for us to live wisely? How do work, leisure, Netflix, retirement, and social media fit into a well-lived life?
2. How do we live confidently about the will of God for our lives when many of the challenges we face are not specifically addressed in the Bible?
3. How could our Life Group help us live life filled with the Spirit? What does speaking Psalms and hymns and spiritual songs to each other look like for us?
